Sub-Grant of land --- starting of Agr. Colony
at Kyathe Devargudi, Chamarajnagar
Taluka. (28)

AFD 9/1/57

1) Letter No. B.S.-M.L.-156.-1007/55, Dated 1-7-1957
from the C.C.F. B'lore, proposing not to grant
an area of 70 to 80 acres of land near
Kyathe Devargudi, Chamarajnagar State Forest
for starting of Agr. Colony for Adivasis.

The Rev. Officers are recommending the
grant of land to the Adivasis as they have
got lands near to the proposed area. The
C.C.F. is not recommending because, the
area is the home of wild animals. The
sketch of the lands, which is reported to be
attached to the correspondence is not recd.
Hence the C.C.F. may be requested to send the
sketch immediately with additional ^{information} reg. the
location of the lands of the Adivasis and the area required
by them for their colony. The draft is put up
for approval.

4) The draft put up on page 9/c may be
signed and
W.S. 26/9/57

22/9

Letter No. BB-MI-1561007/55, Dated 2-11-57 (29)
 from the C.C.F. forwarding a sketch of land
 in Kyathe Devagudi Forest showing the
 location of lands required for the ^{proposed} Soligar
 Colony. In it and he has further stated
 that the remaining information will
 be supplied by the D.D. Social Welfare.
 The sketch does not show the location
 of the place where the Soligars ~~live~~ ^{are} now
 settled residing. Moreover he not-mentioned
 the S.N.s and the ~~at~~ total area of land
 required by the Soligars.

The letter No. DC 112/55-56, dated 14-11-55
 requesting to grant 102 acres (2 acres
 for residential purpose and 100 acres
 for agricultural purpose) for the proposed
 agricultural Colony of Soligars.

From the sketch furnished by the C.C.F.
 it is seen that, the present location
 of Soligars residence is not shown
 and the proposed residence is also
 not-shown. Moreover the total area of
 the land required by Soligars and the S.N.s
 are also not-mentioned. In the absence
 of above information, final orders cannot
 be issued. Therefore the D.D. Social Welfare
 may be requested to furnish ^{the} information
 to Govt through the C.C.F. A draft letter
 to the C.C.F. is put up for approval.

15-11-57

12/11/57
 The letter in pages 7 & 11 may be seen. About 100 acres disafforestation is required by the Director, Social Welfare. But D.C. requires release of 30 acres in the first instance. To help planned development, 100 acres may be ordered to be released, if objection of C.C.F. can be over-ruled. The only question is that it is not desirable to release an area which is important wild life habitat.

30 acres approved (in Ajmer) approved 14/11/57

11) A draft- G.O. for disforestation of 100 acres of land is put-up for approval.

Wes 9/12/57. 11) It is presumed that an owner of 102 acres is to be disafforested and not only 30 acres as recommended by the D.C.

AFD. 1/6

(36)

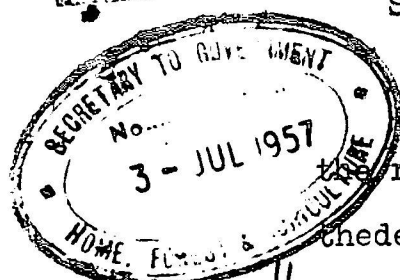

No. (B3)M1-156-1007/55

Chief Conservator's Office,
Bangalore, dated 29-6-1957

117157

Secretary to Government,
Agriculture and Forest Departments,
Bangalore.

Sir,

Sub:-Grant of land - starting of Agricultural Colony at
Kyathedeveragudi, Chamarajanagar Taluk.

I write to state that the Revenue authorities requests the release of an area of 70 to 80 acres of land near Kyathedeveragudi, Chamarajanagar State Forest, Chamarajanagar Taluk for the formation of an Agricultural Colony for the benefit of Hill Tribes. The District Forest Officer, Mysore, who was consulted in the matter reports that for reasons stated in his letter No.R.C.1691 dated 7-3-1956 (copy enclosed) that it is not desirable to release the area round about Kyathedeveragudi, the ^{home} ~~house~~ of important wild life. The Revenue Commissioner Bangalore was informed accordingly in this office letter dated 7-4-56 and as an alternative the Deputy Commissioner, Mysore was requested to inspect another area near Bedaguli about 10 miles from Kyathedeveragudi which is also suitable for colonisation purpose. But the Deputy Commissioner Mysore District after inspection of the area at Kyathedeveragudi, the area originally proposed, reports in his letter No.T.C.345/56 dated 19-5-57 (copy enclosed) that the Soligars are cultivating the area for the past two years and that it may not be desirable to disturb them etc., and proposes disforestation of an area of about 100 acres near Kyathedeveragudi for the Colony.

In the circumstances I request orders of Government on the proposals of the Deputy Commissioner, Mysore for dis-

afforestation of an area of 100 acres at Kyathedeveragudi Chamarajanagar State Forest, ^{resulting} ~~in view of the disturbance of~~ ^{may be} ~~Gone in that area, may kindly be communicated to me early.~~

A sketch of the area proposed for disforestation is enclosed for reference and return when done with.

Yours faithfully,

J. a. [Signature]

Copy of letter No.RC 1691 dated 7-3-56 from the
D.F.O. Mysore.

Sub:-Grant of land - starting an Agricultural Colony at
Kyathedegaragudi, Chamarajanagar Taluk.

Ref:-Your memo No M1-156-1007/55-56 dated 17-2-1956

In reply I would invite reference to my letter No.RC 913 dated 29th September 1955 (copy of which enclosed for ready reference) explaining that the area round about Kyathedegaragudi is for the most part hill and that it would be undesirable to allow such hilly tracts to be brought under cultivation.

In this connection, I wish to stress another point. Kyathedegaragudi is an important ~~and~~ tourist centre and the area in its vicinity is frequented by game animals of all kinds. The formation of an Agricultural Colony in the midst of this area would naturally disturb the game, drive them far into the interior and in consequence the area would no longer be of value as a centre for Big game sport. For this reason too that in view of the considerable value attached to the preservation and protection of Big Game, I am of opinion that the area should not be released for forming an Agricultural Colony.

Copy of letter No.T.C.345/56-57 dated 19-5-57 from the Deputy Commissioner, Mysore District, Mysore to the Director of Social Welfare in Mysore, Bangalore.

Sub:-Formation of an Agricultural colony for the benefit of scheduled tribes at Kyathedegaragudi, Chamarajanagar Tq.

With reference to your letter No.112/54-55 dated 24th April 57 on the above subject, I write to state that I inspected in company with the Conservator of Forests, Coorg Circle, Mercara and Amildars of Chamarajanagar and Yellandur Taluks two places one about a mile and half away from Kyathedegaragudi which is locally known as 'Kanyarepod' and the other place near Biligirirangan hills. The former place is situated close to the road bifurcating Biligirirangan Hills road from Belaguli road. The latter place is hardly half a mile from Biligirirangaswamy temple. In both these places, the soligars have already settled themselves and are cultivating small patches with ragi and other crops.

As soligars have settled down in 'Kanyarepod' for the past two years, it may not be desirable to disturb them from 'Manyarepod' as any attempt to shift them to Belaguli which is far removed from 'Kanyarepod' may prove unfruitful as it is not to their liking.

I am therefore of the opinion that agricultural colony for the benefit of the scheduled tribes may be started at 'Kanyarepod' and an extent of at least on hundred ~~acres~~ acres may be reserved for possible expansion, releasing immediately about 30 acres of land for bringing under plough, after getting the approval of the Chief Conservator of Forests for disafforestation.

In this connection it may be stated that a school-cum-hostel has already been started close to Kyathedegaragudi and the site on which thatched structures have been constructed ~~may~~ may...be confirmed and the P.W.D. authorities permitted to go ahead with the construction of pucca buildings. An area of one acre of land may be reserved at the place for possible expansion. The site is only a mile and half removed from 'Manyarepod' and is ideally suited for the purpose as it will not be far removed from the Agricultural Colony.

P.T.O.

As regards starting a colony of soligars near Biligiriranga Hills, a separate report has already been sent.

A sketch showing the area for Soligars Colony near Kyathedevaragudi prepared by the Forest-Sub-Division Officer of Chamarajanagar is herein enclosed for your information and return when no longer required.

Encls. OneOFFICE OF
Director of Social Welfare
in Mysore, Bangalore

Date 14-11-1957

The Secretary to Government,
Agriculture and Forest Departments,
Bangalore.

Sir,

Subject: Grant of lands for the formation of an Agricultural Colony at Kyathedevaragudi, Chamarajnagar Taluk.

Reference: This office letter of even No. dated 10-9-57.
2. No. 74B3/ML-156-1007/55 dated 2-11-1957 from the Chief Conservator of Forest addressed to Government and copy endorsed to this office.

Adverting to your letter No. AFD 91-FLD dated 7-10-1957 addressed to the Chief Conservator of Forest on the above subject, I furnish below the information required by Government in para 2 of their letter under advertance.

An Agricultural colony was proposed as nucleus for 30 families in the first instance during 1955-56 and to expand it later when more families of these Scheduled Tribes residing in the neighbourhood area desire to settle down on Agriculture.

The area and the survey number of the lands held by the Scheduled Tribes is not readily available and will be furnished after obtaining the same from the Deputy Commissioner, ^{Mandya} ~~Mysore~~ Dist.

For accommodating the dwelling houses for the colonists, about 2 acres of land and for cultivation purpose about 100 acres are required.

A copy of letter No. T.C. 345/56-57 dated 19-5-1957 received from the Deputy Commissioner, Mysore is enclosed herewith for kind perusal from which it could be seen that the area now selected and proposed by him is most suitable for the formation of the colony and that no other plot which is convenient for the purpose is available around Kyathedevaragudi.

I would therefore request you to kindly move Government to accord sanction for disafforesting about 100 acres of land shown in the sketch (sent to Government by Chief Conservator of Forest) and communicate the same early.

Yours faithfully,

for Director of Social Welfare. (in leave).

13/1/57 (US)

Letter No. T.C.345/56-57 dated 19-5-1957 from the Deputy Commissioner,
Mysore District, Mysore to the Director of Social Welfare, Bangalore.

Sub: Formation of an Agricultural colony for the benefit of
Scheduled Tribes at Kyathedevaragudi, Chamarajnagar Taluk.

With reference to your letter No. 112/54-55 dated 24th April, 1957 on the above subject, I write to state that I inspected in company with the Conservator of Forests, Coorg Circle, Mercara and Amildars of Chamarajnagar and Yelandur Taluks, two places one about a mile and a half away from Kyathedevaragudi, which is locally known as 'Kanyarepod' and the other place near Biligirirangan hills. The former place is situated close to the road bifurcating Biligirirangan Hills road from Belaguli road. The latter place is hardly half a mile from Biligirirangaswamy temple. In both these places, the soligars have already settled themselves and are cultivating small patches with ragi and other crops.

As soligars have settled down in 'Kanyarepod' for the past two years, it may not be desirable to disturb them from 'Kanyarepod' as any attempt to shift them to Belaguli, which is far removed from 'Kanyarepod' may prove unfruitful as it is not to their liking.

I am, therefore, of the opinion that agricultural colony for the benefit of the Scheduled Tribes may be started at 'Kanyarepod' and an extent of at least one hundred acres may be reserved for possible expansion, releasing immediately about 30 acres of land for bringing under plough, after getting the approval of the Chief Conservator of Forests for disafforestation.

In this connection, it may be stated that a school cum hostel has already been started close to Kyathedevaragudi and the site on which thatched structures have been constructed may be confirmed and the P.W.D. authorities permitted to go ahead with the construction of pucca buildings. An area of one acre of land may be reserved at the place for possible expansion. The site is only a mile and a half removed from 'Kanyarepod' and is ideally suited for the purpose as it will not be far removed from the Agricultural colony.

As regards starting a colony of soligars near Biligirirangan Hills, a separate report has already been sent.

Date 19 23rd Dec 57

To
A.D. 91 F.H.D. 57
The Secretary to Government,
Agriculture and Forest Department,
Bangalore.

Sir,

SUBJECT: RELEASE OF LANDS FOR THE FORMATION OF AN
AGRICULTURAL COLONY AT KYATHEDEVARAGUDI,
CHAMARAJANAGAR TALUK FOR SCHEDULED TRIBES
= = = =

In continuation of this Department's letter of even number dated 14-11-1957 on the subject noted above, I write to state that from the report received from the Tahsildar, it Chamaraajanagar taluk/is found that as the entire area belongs to Chamaraajanagar State forest the survey number of the lands held by the Scheduled Tribes does not arise.

2. In this connection I visited the plot on 6-12-'57 named Kanyanpod which is proposed for the location of the colony. Kanyarepod is about a few yards to the main road which bifurcates the road connecting Biligirirangan hills and Belagudi. The area is ideally suited for locating the colony and the land is most fertile. A small stream flows from north to south, just parallel to the proposed colony. The Scheduled Tribes are using water from this stream for the present. I have also selected the spot for sinking a drinking water well and for school and hostel buildings with the assistance of the local Forest and Revenue Officers and with the help of the Scheduled Tribes. All the Scheduled Tribes residing in the area are willing to settle down if a colony with facilities are given to them. They are now cultivating about 1/3 of the area (now recommended for release) with the permission of the Deputy Commissioner. In these circumstances I request immediate orders of Government for releasing 100 acres of land (of which 2-3 acres will be utilised for locating the colony) at Kyathedevaragudi, Chamaraajanagar State forest.

Yours faithfully,

for DIRECTOR OF SOCIAL WELFARE
(on line)

PROCEEDINGS OF THE GOVERNMENT OF MYSORE

...:-

Letter No. 12-119/53-55 dated 1-7-1957 and 3-11-1957, proposing to disforest an area of about 100 acres near Hythaduvangadi for the establishment of an Agricultural Colony for Hill Tribes.

2. Letter No. 12-119/53-55 dated 14-11-57 from the Director of Social Welfare, Bangalore recommending grant of 100 acres of land (3 acres for ~~residential~~ residential purpose and 100 acres for agricultural purpose) for the establishment of an Agricultural Colony.

SECRET, 10. 10. 58

SECRET, 10. 10. 58, 15. 3. 58

Government is pleased to direct that an area of 30 acres of forest land (thirty only) near Hythaduvangadi, Channarayana State Forest, should be disforested and surrendered to the Revenue Department for being assigned for the proposed Agricultural Colony of Hill Tribes, subject to the conditions to be imposed by the Revenue Department.

2. The Forest Officer in the area should be directed by the Forest Department before the area is surrendered to the Revenue Department.

3. The Chief Conservator of Forests is requested to take further action in the matter.

By order and in the name of the
Governor of Mysore,

[Signature]
Deputy Secretary to Government,
Agriculture and Forest Department.

To

The Divisional Commissioner, Mysore.
The Deputy Commissioner, Mysore.
The Chief Conservator of Forests in Mysore, Bangalore ~~and the~~
The Director of Social Welfare, Bangalore.
The Revenue Department.
The Planning & Development Department.
